

## **Clean & Safe** ACID FREE BOWL CLEANER

When the task requires more aggressive cleaning performance for restroom and other areas, Clean and Safe is the environmentally sound answer.

**Environmentally Friendly:** Biodegradable surfactants are the mainstays of the Clean and Safe formula. Phosphate free, Clean and Safe is the natural solution to tougher institutional cleaning tasks.

### **USE AS AN EVERYDAY NON-ACID BATHROOM CLEANER:**

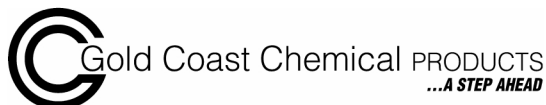

**Surface Safe:** Use Clean & Safe with confidence on a variety of surfaces such as porcelain, stainless steel, chrome, ceramic tile, shower walls, tubs, basins, toilets, urinals, drinking fountains, and towel dispensers. Non-staining, Clean and Fresh is a light blue and will not discolor plastic, vinyl, grouting, and other semiporous surfaces.

**Deodorizes & Freshens as it Cleans:** The exclusive, unique Clean and Safe fragrance in combination with a special odor killing component leaves areas smelling “just cleaned” and floral fresh.

**User Friendly:** Ready to use. No need to mix.

**Fungicide, Mildewstat, Virucide & Cleaner:** Clean & Safe was evaluated and found to be effective in the presence of 5% serum against the following viruses (on inanimate hard non-porous environmental surfaces): HIV-1 (AIDS virus) • Influenza A/Brazil • Herpes Simplex Type 1 and Type 2 • Vaccinia.
