

SCOUT

Gelled Penetrating Lubricant

This break through product forms a long lasting gell that stops corrosion of all metals and inhibits rust. The long lasting gell is continually active over a wide range of temperatures (-30F to 600 F).

The longest lasting continuous action penetrant on the market.

BENEFITS

- . Long Lasting Lube
- . Easy To Use
- . Rust Preventative
- . Non-Conductive
- . Active Temperature Range (-30F to 600F)
- . Corrosion Inhibitor
- . Loosens Nuts And Bolts

USE AREA

- . CABLES
- . Chain & Spokes
- . Conveyors
- . Airplanes
- . Battery Terminals
- . Open Gears
- . Wire Ropes
- . Legs On Hoist
- . Laundry Equipment
- . Parking Meters
- . Junction Boxes
- . Farm Equipment
- . Fuse Boxes
- . Outboard Motors
- . Homework Shops
