

# CONCENTRATED WATER SOLUBLE ODOR COUNTERACTANT

- DEODORIZING POWER THAT LASTS.
- COMPLETE ODOR CONTROL
- FORMULATED WITH ODP, FOR LONG-LASTING, INDUSTRIAL STRENGTH ODOR COUNTERACTION.

This Concentrated Water Soluble liquid does not mask or cover-up. It contains proven Odor Destroying Properties (ODP) that destroys a broad spectrum of mal-odors, allowing only the pleasant odors to be perceived. This water soluble deodorant is very concentrated, easy to use and extremely effective.

By adding a small amount to water or other cleaning products, it will destroy odors on contact and does not change the properties of the cleaner.

This odor counteractant is safe, environmentally friendly, non-toxic, V. O. C. free and biodegradable. Use it for mopping, shampooing, rinsing or as a hand or fogging sprayer.
