

CITRA-SOLV

Natural
Cleaner &
Degreaser

PRODUCT DESCRIPTION

Citra-Solv is the safest alternative to using chlorinated solvents for degreasing and cleaning metal surfaces. Heavy flushing action quickly dissolves and removes grease,

grime, asphalt, oil and tar. High pressure spray penetrates, loosens and lifts soil away. Parts can air dry leaving negligible residue, or be rinsed clean with water.

USES / BENEFITS

- No Chlorinated Solvents
- Environmentally Safe
- No Toxic Fumes
- Non-Caustic
- 100% Biodegradable

- No Petroleum Distillates
- All Natural Ingredients
- Non-Acid
- Non-Corrosive
- Ozone Friendly

PRODUCT DESCRIPTION

A pure concentrated organic cleaner and degreaser. The safe, natural alternative to chlorinated solvents. Quickly dissolves grease, dirt and grime, then easily emulsifies with water and rinses away. Leaves little or no residue. Features a powerful

flush action valve which aids in blasting surfaces clean. Contains 100% active concentrate and a natural, environmentally safe propellant. Eliminates toxic vapors and is biodegradable and ozone friendly.

PROPERTIES

Spray Pattern -- Heavy Blast

Appearance -- Clear Orange Liquid

Odor -- Citrus
