## PINK LOTION

This product is a concentrated blend of mild detergents powerful enough to cut grease, dried-on-egg and other hard to remove substances from pots, pans and dishes. This lotion-mild detergent leaves hands soft and smooth. It is a thick solution pink in color and has a pleasing fresh fragrance.

### DIRECTIONS FOR USE

To use, simply pour in a ration of 1 ounce to 4 gallons of water as water runs into sink. the rich suds will billow up giving evident of the detergent's cleaning power. When suds dissipate to the extent that the water surface is exposed and agitation does not increase suds cover, the wash water should be drained and refilled with fresh water and detergent.

### TECHNICAL DATA

TYPE PRODUCT: Liquid Dish Detergent	CLARITY: Clear
CLEANING EFFICIENCY: Excellent	COLOR: Pink
SPECIFIC GRAVITY: 1.040	ODOR: Spice
BULK DENSITY: 8.663 lbs/gal    pH: 7.0	SOLIDS: 32.00
VISCOSITY: 200 cps @ Room Temperature %	SOLIDS RESIDUE: Tacky cake
GREASE REMOVAL: Excellent	OILY FILM: None
FORMULATION: A Special blend of cleaners, builders, degreasers and detergents.
